What This Means for Northside Realty

Wake County has **312,569 verified investment property owners** — and **16,521 are Tier 1 hot leads** with active portfolios, LLC structures, and recent transaction activity. These are investors who are buying, refinancing, and growing right now.

For a brokerage with 100+ agents, this is a territory-wide investor map. Instead of cold-calling blind lists, your agents get scored, segmented profiles — each one tagged by opportunity type, portfolio depth, and activity signals.

- ✓ **16,514 portfolio landlords** (5+ properties) — listing and buyer-side opportunities at scale
- ✓ **37,717 recent buyers** (2024–2026) — actively deploying capital in your market right now
- ✓ **48,711 LLC/entity investors** — sophisticated operators who transact repeatedly
- ✓ Every profile enrichable with contact info, mortgage details, rental estimates, and portfolio mapping
