⚡ Cash-Buying Developer Building From Scratch

Queen Bea LLC paid **$505K cash** for 1410 Joe Louis Ave and is building a new single-family dwelling from the ground up — 11 permits including new SFR construction, electrical, plumbing, stormwater, and fencing ($647K total permit value). Two adjacent E Lenoir St parcels ($1.58M combined) suggest a development assembly play. Local operator, 0.6-year average hold, fast close with no financing contingency.

Recommended Approach

This is an active developer building new construction and assembling adjacent parcels. Cash buyer means fast close, no financing delays. Local operator who manages their own projects. Approach with off-market land and development opportunities.

> *"I see you're building new construction in the Joe Louis Park area — I work with investors who are actively developing in Wake County and I'm tracking several vacant lots and off-market properties that could fit your next project."*

What Makes This Lead Different

Basic List	"Queen Bea LLC — 4 properties, Raleigh NC"
Our Intel	Cash buyer building from scratch ($647K permits), assembling adjacent parcels ($1.58M), local operator at 949 Cross Link Rd, 0.6yr hold = rapid deployer. You know exactly what to say.
