Recommended Approach

This investor buys distressed/bank-owned properties AND holds premium assets — a sophisticated dual strategy. They're local to Fuquay-Varina and hands-on. Approach with distressed inventory and off-market deals in their backyard.

> *"I see you recently picked up a property on S Main St — nice buy. I work with investors in the Fuquay-Varina market and I'm tracking several distressed and off-market properties that might fit your acquisition strategy. Worth a conversation?"*
