Recommended Approach

This is a classic out-of-state absentee investor who needs local representation. They're buying consistently (~1.7/year) and concentrating in Zebulon — specifically the Brisk Dr corridor. The key angle: they need someone on the ground who knows this submarket.

> *"I noticed you own 16 investment properties in Wake County, most of them concentrated around the Brisk Dr corridor in Zebulon. I specialize in that market and I'm seeing inventory that would fit your portfolio. As an out-of-state owner, would it help to have someone local who knows these neighborhoods keeping an eye out for your next acquisition?"*
