Recommended Approach

A 24-year investor with 31 properties is sophisticated and experienced. Don't pitch — show respect for their track record and ask where they're expanding. The multi-city spread means you can match different agents to different markets.

> *"Mr. Isaacs, I noticed you've built an impressive portfolio across Wake County — properties in Raleigh, Apex, Cary, Wake Forest, and beyond. I work with established investors who are looking at their next move, and I'd love to understand where you're focused next."*
